MARTYR TRAINING SERVICES PTY LTD. ABN 46 606 648 748

Course Information:

This course aims to teach participants the skills and knowledge required to work in accordance with an issued permit and for safe entry to confined spaces under a work permit and for maintaining safety while working in the confined space. The course address skills and knowledge required to enter and work in confined spaces in the Resources and Infrastructure Industries, and to conduct local risk control in the Resources and Infrastructure Industries.

This course applies to working in operational roles undertaking work in confined spaces.

There are 2 levels of Confined Space – this course is Level 1.

You will be trained and assessed to the nationally recognised standard of:

MSMPER200 Work in Accordance with an Issued Permit
MSMPER205 Enter Confined Space
RIIWHS202D Enter and Work in Confined Spaces
RIIRIS201D Conduct Local Risk Control

\$220.00

You will be required to achieve full competency in all units to receive a statement of attainment.

Course Duration: ½ Day, 1pm-5pm

Note: The time and length of lunch breaks may vary and will be determined by the trainer on the day.

Location: Martyr Training, 64 Duchess Road, Mount Isa, QLD, 4825

Course Requirements:

- Courses are conducted in a simulated work environment. Students must be attired appropriately with enclosed shoes. Students wearing sandals or thongs will not be allowed into the course.
- You must bring photo ID and your USI (unique student identification number) with you.
- Participants must possess the literacy skills to read and write basic English. Numeracy skills need to be of at least a Grade 8 standard.
- To allow time for registration, please arrive 15 minutes prior to the commencement of your course. Students who arrive late will not be allowed into class.
- This course may require participants to perform light manual handling such as bending, twisting, kneeling, dragging, lifting light objects at waist or shoulder height.
- Students may wish to bring with them their own harness, as well as a gas tester from your actual place of work. Please be aware that Martyr Trainings gas testers may differ from the one you are required to use in your workplace. Please be sure to check this with your employer.
